|-------------------------|---|
| <b>Project Name:</b>    | <b>Infrastructure Improvement for Parks</b>   |
|                         | <a href="http://www.miamidade.gov/itgovernance/library/business_cases_2005/Business_Case_Section_A_Parks_Infrastructure.pdf">http://www.miamidade.gov/itgovernance/library/business_cases_2005/Business_Case_Section_A_Parks_Infrastructure.pdf</a> |
| <b>Department Name:</b> | Parks   |
| <b>Project Amount:</b>  | \$100,000   |

| EVALUATION CRITERIA   | RATING<br>(Use drop down boxes) | Comments/Instructions  |
|---|---------------------------------|--|
| <b>A. BUSINESS IMPACT</b>   |                                 |  |
| 1. How closely are the project's objectives aligned with County's strategic plan?   | 3                               | 5= Strong Alignment, 1=No Alignment                                    |
| 2. Is the project an enterprise solution that will be used by more than one agency?   | NO                              | Yes or No  |
| 3. To what extent will the project improve internal workflow and productivity and enhance customer service? <b>See tab below for examples on how to rate.</b>   | 4                               | 5=Major Impact, 1=Minimal Impact                                       |
| 4. How well have projected benefits been identified and quantified?<br><b>See tab below for examples on how to rate.</b>  | 4                               | 5=Benefits clearly identified/quantified,<br>1=Benefits not identified |
| <b>B. ARCHITECTURAL FIT</b>   |                                 |  |
| 5. To what extent will the project serve to improve the County's underlying technical infrastructure?   | 1                               | 5=Major Infrastructure Improvement,<br>1=No Improvement                |
| <b>C. OTHER</b>   |                                 |  |
| 6. Is the project a mandate (i.e., required by legislation or regulation)?  | NO                              | Yes or No  |
| 7. Is this project the agency's first or only priority?   | NO                              | Yes or No  |
| 8. Is the proposed project the subsequent phase of a project that is currently in progress or has recently been completed?  | NO                              | Yes or No  |
| 9. Does the project introduce a new technology that will or can be evaluated for potential use elsewhere in Miami-Dade County (a pilot or "frontier" project)?<br><b>See tab below for examples on how to rate.</b> | NO                              | Yes or No  |
| <b>Additional Comments (Optional):</b>  |                                 |  |
|   |                                 |  |
